

Introducing...

The First Annual Ellis *Community Clean-up*

Please join the FHSU 310 Leadership Clean-Up team as we work to clean-up the downtown areas of Ellis. Needing to get rid of that couch you no longer want, or some other large item that are taking up space at your house? In addition to cleaning downtown we will be providing trailers to haul off large items of trash.

This is also a GREAT opportunity for all of those who need to get in their community service hours, or just simply want to put in some time towards a great cause, and help keep your small community clean and welcoming!

Please see the April 6th and 13th editions of the Ellis Review for more details concerning this event. Information can also be found on various flyers that will be placed all over town.

Hope to see you there!
