Preserve the memory of a special person in your life, and help build a beautiful legacy, by planting a tree or donating a bench in the Mount Hope Cemetery expansion area.

A tree is a moving and beneficial way to honor a loved one for many generations to come. Trees provide a sense of connection with the past, the present and the future. Everyone who enjoys the shade and beauty a living tree provides will reflect upon the individual whose life it honors.

A bench is a unique tribute to a loved one or treasured friend. Honorarium or memorial benches are a unique way to let future generations how the special individual touched other lives.

Both are gifts that keep giving through several lifetimes.

A donation for less than the full cost of a memorial item will be accepted. It will be combined with other smaller donations to "purchase" a memorial item.
