EVENT REQUEST APPLICATION/PERMIT for PUBLIC PROPERTY

An application is required for all uses of municipal parks, except those sponsored by the City. All applications must be submitted at least two (2) weeks in advance of the scheduled event as some *Event Request Applications* may need to be referred to the City Council for approval. City events will have scheduling priority. Any event may be denied based on its potential overload of any park, or the negative effect it may have on the adjacent property owners or citizens at large. If the application is accepted, the applicant must adhere to all rules and regulations of the City of Ellis and State of Kansas. The applicant shall have a copy of the approved *Event Request Application/Permit* onsite at the time of the activity. An approved application gives the applicant priority use of said public space for the stated times only. Please understand that the City of Ellis cannot guarantee unauthorized public use in some areas during the scheduled event. The applicant shall, at the expiration of the scheduled event, surrender the public space in as good of state and condition as received, with reasonable wear and tear by normal use expected. The applicant will be held responsible for any damage that may occur at this event and is responsible to see that all litter is placed in proper containers. Nothing in this application should be construed to create a joint venture, partnership or any relationship between the City of Ellis and the applicant. Both parties affirmatively acknowledge that no such relationship exists with the exception of lessor-lessee. The City of Ellis is not responsible for accidents.
