The Project consists of the following (in general): Earthwork and grading, pavement removal, construction of concrete pavement, curb & gutter, and sidewalk, temporary traffic control, seeding, and other ancillary items of work for the reconstruction of approximately 660 linear feet of a local street.

Bidding Documents in electronic PDF format can be viewed or downloaded through the online Plan Room at <https://www.wilsoncoplanroom.com> at no charge. Printed copies are not available from the City or Issuing Office and must be arranged independently by the prospective bidder. Contractors, subcontractors, suppliers, etc. must register or log-in to view and/or download Bidding Documents. Complete sets of Bidding Documents must be used in preparing Bids; neither OWNER nor ENGINEER assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

Each bid shall be accompanied by a bid security in the amount of five percent (5%) of the total bid. The City reserves the right to reject any or all bids, to waive informalities, and to accept the bid deemed to be in the best interest of the City.

See Instruction to Bidders for detailed information and requirements.

This Project is funded with local and KDOT Cost Share Program state funds; there are no federal funds in the project.

A pre-bid conference is not planned at this time.
