SPECIAL ORDER

UNFINISHED BUSINESS

Water: Accounting/Billing

Donnie Younger, representing the Ellis Golf Course, requested the City consider allowing the use of Well #11 to irrigate the golf course greens. The Clerk's office presented a report detailing the actual effluent gallons pumped to the golf course in 2025, the estimated gallons needed from Well #11 to meet a 200,000-gallon-per-day request based on 2025 effluent usage, the total gallons pumped from Well #11 in 2025, and a comparable 2025 Midwest Energy bill reflecting the cost to pump the increased estimated gallons requested. The report also included the anticipated cost to repair Well #11 and other related considerations.

Mr. Younger stated the golf course would like to utilize Well #11 during the months of June, July, August, and September, and revised the request to 180,000 gallons per day during those months.

Council directed City staff to update the report to reflect the discussed revisions and to present the updated information at the next Council meeting. Mayor Martin LaBarge tabled the request until the March 16, 2026 Council meeting. No further action was taken.

NEW BUSINESS

Streets: Repairs/Maintenance

Public Works Director Steve Homburg presented quotes for crack sealant to help maintain the streets. Council Member Jolene Niernberger moved to approve the quote from Crafcro, Inc. in the amount of \$8,694 for crack sealant, with funds to come from Capital Improvement Street Fund. Council Member Dava Gaschler seconded the motion. The motion carried 6-0.

Council Member John Walz seconded the motion. The motion carried 6-0.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Director Steve Homburg presented his department update.

The Comparative Water Report from December 10, 2025 to January 10, 2026 was presented.

Public Works Director Steve Homburg stated they are currently looking for leaks due to significant unaccounted for water loss. He reported the Kansas Water Office will be here on March 3, 2026 to help search for leaks in our community.

Public Works Director Steve Homburg asked Council permission to attend the Kansas Association Code Enforcement Conference April 15-17, 2026. Council Member Dava Gaschler made a motion to ratify permission for the Public Works Director Steve Homburg to attend the Kansas Association Code Enforcement Conference April 15-17, 2026 in Mayetta, KS. Council Member Kevin LaBarge seconded the motion. The motion carried 6-0. It is the consensus of the Council moving forward to allow Mayor Martin LaBarge to approve City staff attending the conferences, and Department Heads inform the Council of the conferences being attended. Public Works Director Steve Homburg informed the Council that masonry repairs are needed at the top of the Cemetery Bell Tower. He asked whether the City's bucket truck could be used to allow masons to access and complete the repairs. City staff would operate the bucket controls from the ground, while the masons worked from the bucket. City Attorney Olavee Raub advised that the City's insurance would likely not cover the masons, as they are not City employees. Council directed the Clerk's office to contact the City's insurance provider to confirm whether coverage would apply in this situation.

Police

Police Chief Avery Smith presented the February monthly incident report and provided his department update. Council Member Dava Gaschler inquired whether the Police Department had conducted any training related to the new electronic scooter ordinance. Chief Smith reported no training has been completed to date, but stated the department plans to implement training prior to the end of the school year in time for summer.

City Clerk

Assistant City Clerk Verda Flinn presented the departmental update.

Ms. Flinn reminded Council of AdamsBrown arriving on site for the annual field audit scheduled Tuesday, March 10, 2026.

Ms. Flinn will attend the CCMFOA Spring Conference March 11-13, 2026 in Manhattan.

The 2026 Seasonal Lifeguards are tentatively scheduled to perform their lifeguard certification training at FHSU March 16-20, 2026.

The motion carried 6-0.

NEW BUSINESS

Water: Grant

City Clerk Ashley Scheibler presented Council with a WaterSmart – Small Scale Efficiency Grant opportunity that would allow the City to reallocate budgeted funds for electronic water meter replacements toward a cost-share match, with the goal of completing the City's 10+ year transition to automated meter reading. The City currently has 467 meters remaining, which, under the current annual purchase capacity, would take approximately five more years to acquire and install. If awarded, the grant would enable the City to complete all remaining replacements within one year. Council Member John Walz moved to allow the Clerk's Department to apply for the WaterSmart Grant to support the acquisition of the remaining electronic water meters for the City of Ellis. Council Member Dava Gaschler seconded the motion. The motion carried 6-0.

Public Works: Equipment

Public Works Director Steve Homburg presented quotes for leak detection equipment to assist the City in identifying potential water leaks and to utilize associated software following completion of the Trego Well Line project, as the system can detect leaks within a 3,000-foot range. (HEARINGS)**

Public Works: Proclamation

Mayor Martin LaBarge read a proclamation in observance of the 66th Annual National Public Works Week from May 17 – 23, 2026.

General Government: Financial – Budget Request

Isaac Harold with Options – Domestic and Sexual Violence Services provided information regarding the specialized services and programs Options provides. The organization requests consideration of funding in the amount of \$2,500.00 from the City through the 2027 Budget. Council took no action and will consider the request during budget preparation.

General Government: Financial – Budget Request

Karen Day, Director of the Walter P. Chrysler Boyhood Home & Museum, presented their 2027 budget request. Ms. Day thanked Council for their dedicated years of support and sustainability. She mentioned the number of days open during the week have been reduced to offset rising costs. The Chrysler Board requests consideration in the amount of \$15,000.00 from the City in the 2027 budget. Council took no action and will consider the request during budget preparation.

General Government: Financial – Budget Request

David Clingan presented the 2027 budget request from Grow Hays. The organization's mission for Ellis County is *Business Creation, Business Retention & Expansion, and Business Recruitment*. Mr. Clingan provided an update on the Neighborhood Revitalization Program (NRP) currently being utilized in Ellis and encouraged residents to contact Grow Hays for information on the Grow Hays Rehab Program, which offers assistance with home improvement

and rehabilitation projects in Ellis. Grow Hays requests consideration of \$5,000.00 from the City in the 2027 budget. Council took no action and will consider the request during budget preparation.

SPECIAL ORDER

Fire Department: Report

Fire Chief Dustin Vine presented his monthly report summarizing the Department's activities.

Personnel: Benefits

Lori Miller of Heartland Retirement & Benefits Consulting and Jeremy McGuire with Blue Cross and Blue Shield presented the 2026 renewal information for the City employees' health insurance policies. Ms. Miller explained the City utilizes a proprietary health insurance model in which a high-deductible plan is purchased, with the resulting savings used to help fund employee claims. The City's current Blue Cross Blue Shield Bronze health plan will see a premium increase of 11.34%, while premiums for the Blue Cross Blue Shield dental plan will increase by 1.95%. No premium increases are proposed for the Vision Care Direct plan or the Advance Life Insurance plan. Ms. Miller reviewed several health, dental, and life insurance comparison options and explained, based on the City's employee health pool, to remain with the current Blue Cross Blue Shield Bronze plan would be the most beneficial underwritten option for both the City and its employees. Council Member Dava Gaschler moved to approve the employee's health option #2 and dental insurance plans with Blue Cross & Blue Shield, the employee's vision plan with Vision Care Direct, and the employee's life insurance plan with Advance Insurance Company of Kansas, all for the period July 1, 2026 – June 30, 2027. Council Member John Walz seconded the motion. The motion carried 5-0.

NEW BUSINESS

Streets: Traffic Control Request

David Molstad expressed concerns regarding the speed of traffic along Monroe Street between 10th Street and 19th Street. Mr. Molstad suggested reducing the speed limit in the area from 30 mph to 20 mph and considering the installation of solar-powered radar speed signs at both ends of the corridor. Police Chief Avery Smith stated he would research the cost of radar signs, as well as potential grant opportunities, for future Council consideration.

Fire Department: Repair/Maintenance

Fire Chief Dustin Vine presented two quotes for repair of Fire Truck Unit #853. Council Member Dava Gaschler moved to approve the estimate from Dreiling Field Services, LLC for repairs to the 2009 Freightliner Fire Truck not to exceed \$9,969.44, with funds to come from the Special Machinery-Fire. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

General Government: Policy

Council Member John Walz moved to approve Resolution No. 639 designating July 3rd and 4th from 9:00 a.m. to midnight as permitted dates and hours to discharge fireworks for 2026. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

General Government: Contract

Council Member John Walz moved to approve the contract with Blue Valley Public Safety, Inc, for the 2026 Annual Siren Preventative Maintenance in the amount of \$740.00, with funds to come from the General – General Government fund. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

General Government: Contract

Assistant City Clerk Verda Flinn presented the Kansas Department of Transportation (KDOT) Cost Share Program award contract, which will provide funding assistance to help offset costs associated with the West 2nd Street Project. Council Member Dava Gaschler moved to approve authorizing the Mayor to sign Grant Contract No. 122-26 with the Secretary of Transportation and the Kansas Department of Transportation for acceptance of Cost Share Program funding for

the West 2nd Street Project. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

General Government: Contract

Assistant City Clerk Verda Flinn presented the Kansas Office of Information Technology Services award contract for the FY23 State and Local Cybersecurity Grant Program, which will provide funding assistance to help offset costs associated with updating the water and wastewater treatment plants. Council Member Jolene Niernberger moved to approve authorizing the Mayor to sign the Fiscal Year 2023 State and Local Cybersecurity Grant Letter, Procurement Attestation, and Memorandum of Agreement with the Kansas Office of Information Technology Services for acceptance of funding to complete updates at the water and wastewater treatment plants. Council Member John Walz seconded the motion. The motion carried 5-0.

General Government: Permit

Council Member Dava Gaschler moved to approve the Noise Permit Application for the Walter P. Chrysler Boyhood Home & Museum on May 23, 2026, from 11 a.m. to 3 p.m. at Chrysler North Park. Council Member Kevin LaBarge seconded the motion. The motion carried 4-0, with Council Member John Walz abstaining due to a conflict of interest.

Tourism: Committee

Glen Keller, President of the Tourism Committee, submitted a proposed temporary arrangement for the 2026 season to remove the Tourism Welcome Banners, while not permitting use of the City-owned banner brackets by another organization. The proposal suggested the VFW Auxiliary could, at its own expense, temporarily place Hometown Hero banners below the former Welcome Banner locations on the same side of the street from 5th Street to 13th Street along 10th Street (east to west), with the exception of one Welcome Banner remaining at each end of 10th Street, as well as along all of West 9th Street and on Jefferson Street from 9th Street to the VFW Building. The display period would run from May 2026 through November 11, 2026, provided it does not interfere with other organizations' flags or the City's holiday star displays. John Horesky, Operations Manager for the Midwest Energy Hays District, spoke on behalf of Midwest Energy, the owner of the light poles.

Jenni Holmgren, a member of the VFW Auxiliary, spoke on behalf of the organization regarding the Hometown Hero Banners sponsored by the VFW Auxiliary.

After discussion, no action was taken by the Council.

General Government: Committees

Mayor Martin LaBarge presented the 2026 Roster of Appointments for consideration. He requested Council's approval of the roster as presented. Council Member John Walz moved to approve the Committee Appointment List as presented. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

SPECIAL ORDER

UNFINISHED BUSINESS

General Government: Repairs/Maintenance

Public Works Director Steve Homburg addressed Council with the update on the Congregational Church roof. Mr. Homburg stated the shingles place on the West side by Roofmasters had been installed incorrectly and would need to be torn off and replaced. Mr. Homburg asked Council for a four-week extension to allow Roofmasters to complete the project. Clerk Danielle Schaus informed Council based on the RFP and contract submitted an extension would not be needed as the date of completion was set at June 30. No action was taken.

NEW BUSINESS

Parks: Event Request

Council Member Dava Gaschler moved to approve the Ellis Baptist Church Event Request Application for the Creekside Pavillon on June 7th from 2 p.m. to 4 p.m. Council member John Walz seconded the motion. The motion carried 5-0.

Parks: Event Request

Council Member John Walz moved to approve the Tourism Committee Event Request Application for Memorial Park to host the KSN Summer Road Trip held on June 16th from 3 p.m. to 7 p.m. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

During the discussion Council Member Dava Gaschler asked about the poles on the fence at Memorial Park and who can paint them. Council Members Jolene Niernberger and John Walz

stated the PRIDE Committee and the Baptist Church helped with painting in previous years. Public Works Director Steve Homburg stated 50 gallons of traffic paint was available for use.

Tourism: Special Project

Glen Keller presented an event flyer for the KSN Summer Road Trip. Mr. Keller asked Council for permission to be a sponsor of the event which cost \$1,000. Council Member John Walz moved to approve hosting the KSN Summer Road Trip promotion at a cost of \$1,000 with funds to come from the Tourism Fund. Council Member Jolene Niernberger seconded the motion. The motion carried 4-0 with Council Member David McDaniel abstaining.

Sewer: Repair/Maintenance

Council Member Dava Gaschler moved to approve contracting with Geist Spreading to haul sludge from the Wastewater Treatment Plant in the amount of \$4,800.00 with fund to come from the Sewer Utility fund. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

General Government: Committees

Mayor Martin LaBarge presented the 2026 Roster of Appointments for consideration. He requested Council's approval of the roster as presented with the addition of Donna Huff and Peggy Seibel appointed to the Senior Citizens Advisory Committee. Council Member John Walz moved to approve the Committee Appointment List as presented. Council Member David McDaniel seconded the motion. The motion carried 5-0.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Director Steve Homburg presented his department update. Mr. Homburg informed Council of an email from the National Rural Water Association about being part of a national settlement on the PFOS chemicals. It was consensus of the Council to have City Attorney Olavee Raub review the email and documents. Clerk Danielle Schaus asked to also be included in the documents Mr. Homburg had shared with Council.

Police

Police Chief Avery Smith provided the Monthly Incident Report for May and his Department update. Chief Smith reported he had a couple bids for a patrol unit but was not ready to present those at this time. Chief Smith stated he has been looking into radar signs and asked Council for permission to apply for grants in assisting with the cost of the radar signs. It was Council consensus to allow Chief Smith to apply for grants.

City Clerk

Clerk Danielle Schaus presented the Audit Pre-Communication Letter from Adams Brown with assisting in the 2027 budget. Council Member John Walz moved to approve Mayor Martin LaBarge to sign the letter for Adams Brown to assist with the 2027 City of Ellis budget. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0. Ms. Schaus presented the Health Savings Report for April along with her department update.

Attorney

Mayor Martin LaBarge presented City Attorney Olavee Raub's memo on the Trego Waterline Project, 2nd Street Project easements and her attendance to the CAAK Conference.

Mayor Update and Announcements

Mayor Martin LaBarge addressed Council regarding two topics he would like included on the agenda for the June 15 Council Meeting: fallen trees along the banks of Big Creek and the Hometown Hero Banner program.

Council Member John Walz expressed his appreciation to the Public Works and Police Departments for their efforts in preparing the community for the Alumni Event and Memorial Day festivities.

Council Member Jolene Niernberger reminded Council the County Library Board will be meeting at the Ellis Public Library on Wednesday, June 3.

Council Member David McDaniel reported during the Memorial Day placement of American flags; he and Mr. Keller observed two flags were damaged by the protruding Hometown Hero

brackets. Mr. McDaniel asked Mr. Homburg to determine whether relocating the Hometown Hero brackets to the street side of the poles would allow banners to be displayed without interfering with the holiday stars.

Council Member Dava Gaschler inquired about the number of poles within the City that are available for banner placement. Ms. Gaschler also requested assistance from the Clerk's Office and Public Works Department in gathering information regarding the total number of poles in the community, the number of organizations utilizing the poles, and the number of City-owned stars installed during the holiday season.

AMENDMENTS TO AGENDA

PUBLIC PRESENT

Daniel Pyle, Pauleen Edmonds, Glen Keller, Alicia Flower, Tricia Pritchett, Tracey Andrews, Jenni Holmgren, Connie Fox, Ben Bencze, Carol Schryer, John Leiker, Tammy Leiker, John Horesky, Jenny Bates, and Sylvia Deutzcher.

CONSENT AGENDA

Council Member John Walz moved to approve the consent agenda containing the Minutes from the Regular Meeting on June 1, 2026, Bills Ordinance #2239, and the Manual Journal Entries from April 2026. Council Member Jolene Niernberger seconded the motion. Council approved the consent agenda 5-0.

PUBLIC COMMENTS

**PRESENTATIONS OF AWARDS, PROCLAMATIONS, REQUESTS & PETITIONS
(HEARINGS)**

General Government: Financial – Budget Request

Pauleen Edmonds, President of the Community Foundation of Ellis, requested consideration of \$12,500.00 in the City's 2027 budget. The Foundation's mission is to enhance the quality of life for Ellis residents through giving. Council took no action and will consider the request during budget preparation.

Notable discussions included the Foundation's need for continued support of the food pantry, which currently serves 72 families and 29 children. Rising food costs have made it increasingly difficult to maintain adequate supplies.

Ms. Edmonds also discussed potential improvements to the playground equipment at South Park and the possibility of collaborating with multiple entities, including the City, to pursue grant funding opportunities. Long-term goals include installing a splash pad and basketball courts on the vacant City-owned lot east of South Park.

General Government: Financial – Budget Request

Tracey Andrews, Director of the Ellis Public Library, presented the library's 2027 budget request of four mills of the assessed valuation, \$2,500.00 for employee benefits, \$2,500.00 for programming/project funding, \$2,000.00 for personnel, \$5,000.00 for capital improvements, and \$5,000 for legal fees for a total funding request of \$17,000.00. Council took no action and will consider the request during budget preparation.

General Government: Financial – Budget Request

Dan Pyle presented the Ellis Recreation Commission's 2027 Budget Request. The Commission requests \$10,000.00 to help support the renovation and ongoing upkeep of City-owned ball fields. Council took no action and will consider the Commission's request during budget preparation.

General Government: Financial – Budget Request

Alicia Flower, Director of the Ellis Alliance, requested consideration of \$11,000.00 in the City's

2027 budget. The Alliance's mission is success through cooperation. Member organizations include the Ellis Area Chamber of Commerce, the Community Foundation of Ellis, and the Ellis Development Corporation. Council took no action and will consider the request during budget preparation.

Notable discussions included the installation of a Blessings Box in front of the Ellis Alliance building. The Blessings Box will serve as a community resource where individuals may access nonperishable food items. The program is intended to provide immediate assistance to community members experiencing temporary hardship while encouraging community support and involvement. The Alliance also announced the availability of free Roth ID Tags for child safety harnesses and car seats. These tags contain a child's emergency contact information and any known medical conditions or allergies, allowing first responders to access critical information in the event of an accident or emergency when a parent or guardian is unable to respond. Tags are available free of charge at the Ellis Alliance office.

General Government: Financial – Budget Request

Jenny Bates, Area Director, presented the 2027 budget request from Big Brothers Big Sisters. Ms. Bates projects 169 youth in Ellis County will be served in 2026, with 13 of those being in Ellis. The organization requests \$2,500.00 from the City for consideration in the 2027 budget. Council took no action and will consider the request during budget preparation.

General Government: Financial – Budget Request

Glen Keller, Chairman of the Ellis Railroad Museum, presented the 2027 budget request of \$16,000.00 for consideration. The Museum strives to preserve the history of the railroad in Ellis. Council took no action and will consider the request during budget preparation.

SPECIAL ORDER

General Government: Financial

Kim Bollig of Adams Brown LLC presented the 2025 Agreed-Upon Procedures reports for the Community Foundation of Ellis, Ellis Alliance, Ellis Railroad Museum, and the Chrysler Boyhood Home and Museum.

The Community Foundation of Ellis had no findings. The Ellis Alliance had four exceptions identified, including a duplicate expenditure that was recorded twice, discrepancies involving payroll liability accounts, payroll expense accounts, and payroll tax withholdings. The Ellis Railroad Museum had one exception related to wages and payroll tax expenses not reconciling with the general ledger. The Chrysler Boyhood Home and Museum had one exception, noting that an employee's K-4 withholding form was not on file.

Ms. Bollig then reviewed the City's 2025 audit report. The City received an unmodified opinion, indicating the 2025 financial statements are fairly presented in all material respects. No audit findings or statutory violations were reported.

The audit report also included the Ellis Public Library. Two findings were noted for the Library: certificates of deposit totaling \$5,170 were not recorded in the Library's financial records, and a material journal entry for encumbrances totaling \$59,730 was omitted. The audit report will be presented to the City Council for consideration and approval at its next meeting.

Fire Department: Report

Fire Chief Dustin Vine submitted his monthly report for review.

UNFINISHED BUSINESS

Public Works: Special Project

John Horesky of Midwest Energy informed Council, at the direction of the corporation, banners displayed on Midwest Energy-owned light poles within the City will be limited to one City banner and one banner from a designated local organization per pole. With 76 eligible light poles throughout the City, a maximum of 152 banners may be displayed.

In response to these limitations, Council discussed potential options with Jenni Holmgren of the VFW Auxiliary to accommodate the Home Town Hero Banner Program while remaining compliant with Midwest Energy's requirements. One option discussed was rotating the banners midway through the display season to allow all veterans and service members to be recognized.

Council requested Public Works Director Steve Homburg conduct a trial around August 1 to determine the staff time and resources required to remove the initial set of Home Town Hero banners and replace them with the remaining purchased banners. This approach would allow one group of honorees to be displayed from mid-April through early August and a second group from early August through mid-November.

The VFW Auxiliary was directed to submit a Bucket Truck Assistance Request Form through City Hall. Once the time requirements and associated costs are determined, the matter will be brought back to Council for consideration of cost recovery options or a possible amendment to the City's Bucket Truck Assistance Policy.

It was also noted that a representative from KDOT has authorized the placement of two Home Town Hero banners on KDOT-owned poles. This authorization will remain in effect unless otherwise directed by KDOT.

NEW BUSINESS

Water: Acquisition

Public Works Director Steve Homburg presented a bid for electronic water meters. The City budgets funds each year to continue to replace the standard water meters. Electronic meters are more accurate and detect leaks faster than standard meters. Council Member John Walz moved to approve the purchase of electronic water meters from Metron-Farnier, in the amount of \$52,019.00 plus freight, with funds to come from the Water Depreciation Reserve fund. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

Cemetery: Repairs/Maintenance

Public Works Director Steve Homburg presented a quote for Bell Tower repairs. Council Member Dava Gaschler moved to approve the quote from Rick Cunningham to repair the Cemetery Bell Tower, in the amount of \$4,000.00, with funds to come from the Capital Improvement – Cemetery fund.

General Government: Financial

Council Member John Walz moved to approve Resolution No. 640, authorizing City employees to use City credit cards. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

General Government: License/Permit

Council Member Dava Gaschler moved to approve the Fireworks Permit Applications for the Ellis Softball and Baseball Association at the Ellis County Fairgrounds. Council Member John Walz seconded the motion. The motion carried 5-0.

General Government: Grants

City Clerk Ashley Scheibler requested Council's consideration to apply for the Kansas Infrastructure Hub Grant Assistance Program to provide administrative support for the recently awarded Cybersecurity Grant. Ms. Scheibler explained, due to the federal funding requirements associated with the grant, numerous compliance, reporting, and documentation obligations must be met. Ms. Scheibler explained, while staff are capable of managing the federal compliance, reporting, and documentation requirements associated with the grant, doing so would place a significant strain on existing staff resources and daily operations. She noted assistance from a grant administrator would be an extremely valuable resource, helping ensure all grant requirements are met while allowing staff to remain focused on providing essential City services.

Council Member Dava Gaschler moved to authorize City staff to apply for the Kansas Infrastructure Hub Grant Assistance Program for grant administration support. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

Parks: Event Request

Council Member Dava Gaschler moved to approve the Girl Scouts of Kansas Heartland Event Request Application for the use of Campsite #15 at the Ellis Lakeside Campground on June 27 from 8:30 a.m. to 5:15 p.m. The motion also included directing Public Works to barricade the designated area and waiving all fees associated with the use of the campsite. Council Member

Jolene Niernberger seconded the motion. The motion carried 5-0.

Streets: City Code

Mayor Martin LaBarge opened a discussion regarding the practice of truck dolly-down activities occurring on City streets, specifically along 2nd Street, 3rd Street, and Madison Avenue. Following discussion, the consensus of Council was to direct City Attorney Olavee Raub to research potential amendments to the City Code that would prohibit dolly-down activities on City streets. Ms. Raub will present her findings and recommendations to Council at a future meeting.

General Government: Financials

City Clerk Ashley Scheibler presented Council with a proposed three-year renewal agreement from Equity Bank, where the City's public funds are currently held. Ms. Scheibler also reviewed several potential investment opportunities for Council's consideration, noting the City is not currently bound by any long-term investment commitments.

Ms. Scheibler stated her goal is to ensure the City remains a responsible steward of taxpayer dollars by maximizing returns on available funds while maintaining the flexibility needed to support community improvements and future capital investments.

Following discussion, Council expressed support for Ms. Scheibler to continue researching and evaluating available banking and investment options to identify opportunities that may increase returns on City funds while remaining compliant with applicable laws and investment policies.

Parks: Repairs/Maintenance

Mayor Martin LaBarge asked Council to consider authorizing Public Works to contract with Harold Honas for the use of a winch truck to assist with the removal of fallen trees located within sections of Big Creek on City-owned property.

Council Member Dava Gaschler moved to approve a contract with Harold Honas for winch truck services, not to exceed four hours at a total cost of \$560, for the removal of fallen trees from Big Creek. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Director Steve Homburg presented the Comparative Water Report and provided an update on Public Works activities. Mr. Homburg also requested authorization to attend Floodplain Manager Training in Lawrence on September 1.

Council Member John Walz moved to authorize Mr. Homburg to attend the Floodplain Manager Training. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Police

Police Chief Avery Smith provided the Mid-Month Incident Report for June and his Department update.

City Clerk

City Clerk Ashley Scheibler presented the April Financial Statements, comment cards regarding the Ellis Lakeside Campground, and provided an update on Clerk's Department activities.

Ms. Scheibler informed Council of the KSN Summer Road Trip event scheduled for June 16 and requested permission to close City Hall at 3:30 p.m. to allow City staff to participate in the event by distributing cotton candy and engaging with community members and visitors. Council provided its consent.

Ms. Scheibler also reminded Council of the Budget Work Session scheduled for June 23 at 5:00 p.m. and the Special Meeting scheduled for June 26 at 6:00 p.m.

Additionally, Ms. Scheibler advised Council that registration and hotel reservations for the League of Kansas Municipalities Annual Conference and Trade Show will open on July 1. Council members interested in attending were encouraged to notify the Clerk's Department as soon as possible so appropriate accommodations and registrations can be arranged.

Attorney

City Attorney Olavee Raub thanked Council for allowing her to attend the CAAK Conference. She noted this was one of the better conferences she had attended.

Mayor Update and Announcements

Mayor Martin LaBarge asked Council to consider transitioning from paper council packets to a digital packet system for Council meetings. Following discussion, a majority of the Council expressed support for conducting a trial of the digital format. Council directed City Clerk Ashley Scheibler to research available options and equipment needed to provide Council members with secure and convenient electronic access to meeting materials.

Mayor LaBarge also reminded Council of the first Coffee and Donuts Conversation scheduled for July 11 from 10:00 a.m. to noon at the Ellis Public Library. Council Members Jolene Niernberger and David McDaniel will participate in the inaugural event, providing community members with an opportunity to discuss concerns, share ideas, ask questions, and learn more about current and upcoming City projects.

EXECUTIVE SESSION

Mayor Martin LaBarge asked for a motion to recess into executive session at the request of City Attorney Olavee Raub. Council Member Dava Gaschler moved for City Council to recess into executive session to discuss a pending claim pursuant to the attorney-client privilege exception, K.S.A. 75-4319 (b)(2), with City Attorney Olavee Raub and Public Works Director Steve Homburg present for 7 minutes. Council Member David McDaniel seconded the motion. The motion carried 5-0. The open meeting resumed at 9:07 p.m.

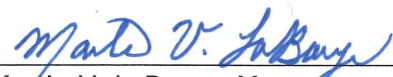

POST EXECUTIVE SESSION

Council Member John Walz moved to authorize the City to participate in the class action litigation related to PFOS chemicals and to authorize Mayor Martin LaBarge to execute the associated retainer agreement. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

ADJOURNMENT

Council Member David McDaniel moved, and Council Member Dava Gaschler seconded the motion to adjourn the meeting. The motion carried 5-0. The meeting adjourned at 9:09 p.m.

Corina Cox

PURPOSE OF SPECIAL MEETING

Mayor LaBarge stated the purpose of the special meeting is to conduct a public hearing and consider matters related to the City's CDBG application and Booster Pump Station Project, including approval of the required resolutions, review and selection of a Grant Administrator, approval of associated contracts, and execution of the necessary contract documents.

PUBLIC HEARING – CDBG Application

General Government: Financial

Mayor Martin LaBarge requested a motion to open the public hearing regarding the City's Community Development Block Grant (CDBG) application. Council Member David McDaniel moved to open the public hearing, and Council member Devin Henderson seconded the motion. The motion carried 5-0, with Council Member Dava Gaschler absent. The public hearing opened at 6:02 p.m.

Corina Cox, Funding Administrative Specialist with Wilson & Company, Inc., presented an overview of the CDBG application to Council. She reported the Low-to-Moderate Income (LMI) Survey had been approved, with the survey documenting an LMI population of 61.65% based on responses from 125 households. The estimated total number of beneficiaries within the project service area is 1,888 residents, including 1,164 who qualify as low-to-moderate income. Ms. Cox explained the final step in the application process was obtaining Council approval to submit the application.

There being no public comments, Mayor LaBarge requested a motion to close the public hearing. Council member David McDaniel moved to close the public hearing, and Council member Devin Henderson seconded the motion. The motion carried 5-0. The public hearing closed at 6:15 p.m.

General Government: Financial – Budget Request

Marvin Honas, representing the Ellis Alumni Foundation, requested Council consider an earmarked donation to assist with the installation of ADA-accessible entrance doors at the Ellis Railroad Museum. The proposed project includes motorized door openers with push-button controls to improve accessibility. The estimated project cost is \$8,385. No action was taken. The Council will consider the funding request during the 2027 budget process.

General Government: Financial – Budget Request

Sarah Meitner, Executive Director of the Heartland Community Foundation, thanked Council for its previous \$2,500 contribution and requested the same amount as a matching donation for the 2027 Match Month initiative. She explained that the Dane G. Hansen Foundation has committed to providing a \$2-to-\$1 match for all donations made during February 2027. Since 2017, the Heartland Community Foundation has awarded \$134,772 in grants benefiting the Ellis community, funding projects that enhance the quality of life for local residents. No action was taken. Council will consider the funding request during the 2027 budget process.

SPECIAL ORDER

UNFINISHED BUSINESS

General Government: Financial

Council Member Jolene Niernberger moved to accept the 2025 financial audit report from Adams Brown as presented at the June 15th Council meeting. Council Member Devin Henderson seconded the motion. The motion carried 4-0.

General Government: City Code

City Attorney Olavee Raub presented examples of restricted parking ordinances for trailers on public right-of-way streets. Council Member David McDaniel moved to direct City Attorney Olavee Raub to draft an ordinance reflecting the example of 14-314, prohibiting trailer parking

on 2nd, 3rd and Madison streets. Council Member Jolene Niernberger seconded the motion. The motion carried 4-0.

NEW BUSINESS

Parks: Lease

City Clerk Ashley Scheibler, accompanied by Jenni Holmgren of the VFW Auxiliary, asked Council to consider allowing Ms. Scheibler to contact Union Pacific Railroad regarding the possibility of extending the existing Memorial Park lease agreement to include the property immediately west of the park. Ms. Scheibler explained that the City currently maintains the vacant lot and has billed Union Pacific Railroad for mowing violations; however, payment has been difficult to obtain. Extending the lease would allow the City to continue maintaining the property while providing greater oversight of the area.

Ms. Scheibler also presented a conceptual vision for the property, proposing its development into a Veterans Park. The concept includes Hometown Hero banner displays, a pavilion for community gatherings and ceremonial events, and a public restroom facility. It was the consensus of Council to authorize Ms. Scheibler to contact Union Pacific Railroad regarding a potential lease extension.

Tourism: Contract

Glen Keller, a Member of the Tourism Committee, requested Council consider purchasing a Membership with Northwest Kansas Travel Council, Inc. Membership includes inclusion in the organization's *Ultimate Guide*, with approximately 12,000 printed copies distributed, as well as digital exposure to promote Ellis and its local attractions. Council Member Jolene Niernberger moved to approve the \$175.00 Membership fee, with funds to come from the Tourism Fund. Council Member Devin Henderson seconded the motion. The motion carried 4-0.

General Government: License/Permit

Council Member Devin Henderson moved to approve the Noise Permit Application and Traffic Control Application for the Ellis Jr. Free Fair events scheduled from July 20 – 26th. Council Member David McDaniel seconded the motion. The motion carried 4-0.

General Government: Event Request Application

Council Member David McDaniel moved to approve the Event Request Application submitted by the Ellis United Methodist Church, with the event to be held on August 30, 2026, at Creekside Park. Council Member Kevin LaBarge seconded the motion. The motion carried 4-0.

Museums: Repairs/Maintenance

Council reviewed the bids previously obtained by Public Works Director Steve Homburg for repairs to the building located behind the Chrysler Home. After further review, Council determined one bid was outdated, and neither bid fully reflected the scope of work desired for the project. Council Member Jolene Niernberger moved to reject the submitted bids and direct City Clerk Ashley Scheibler to prepare a Request for Proposals (RFP) outlining the desired improvements for the building behind the Chrysler Home. Council Member Devin Henderson seconded the motion. The motion carried 4-0.

Streets: Repair/Maintenance

Public Works Foreman Jake Shartz informed Council of concerns regarding the condition and configuration of the 500 block of West 3rd Street. Council directed City Clerk Ashley Scheibler to determine how the area is currently platted. No action was taken.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Foreman Jake Schartz presented the Comparative Water Report and provided an update on Public Works activities.

Police

Police Chief Avery Smith presented the June Monthly Incident Report and provided an update on departmental activities. Chief Smith also shared correspondence with Council explaining free helmets provided by the Ellis County Health Department are available only at free community events due to limited supplies.

City Clerk

City Clerk Ashley Scheibler presented the Ellis Lakeside Campground comment cards, committee minutes, the May Health Savings Report, and provided an update on activities within the Clerk's Department. Ms. Scheibler also announced the Ellis Jr. Free Fair will sponsor a Free Swim Day at the Ellis Municipal Pool on July 21, 2026, to kick off the fair festivities. She further advised that the Ellis Municipal Pool will be closed on July 25, 2026, to allow pool staff to participate in fair activities. Finally, Ms. Scheibler reminded Council of the Coffee and Donuts event scheduled for Saturday, July 11, 2026, at 10:00 a.m. at the Ellis Public Library.

SPECIAL ORDER

Fire Department: Report

Fire Chief Dustin Vine submitted his monthly report for review.

UNFINISHED BUSINESS

General Government: City Code

City Attorney Olavee Raub presented proposed Ordinance No. 1505, which prohibits the parking of fifth-wheel trailers on public roadways within the City of Ellis. Council Member Jolene Niernberger moved to adopt Ordinance No. 1505. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0. Council authorized the Public Works Department to order and install signs designating the restricted parking areas.

Streets: Repair/Maintenance

City Clerk Ashley Scheibler presented Council with the Ellis County Appraiser's recommendation regarding the designation of the 500 block of West 3rd Street in the public records. Mayor LaBarge read the recommendation aloud. The Ellis County Appraiser's opinion was, because the roadway is designated as a public right-of-way within the city limits, it should be treated as such and maintained by the City in a manner it deems appropriate. Following discussion, Council authorized the Public Works Department to repair the 500 block of West 3rd Street and assume responsibility for its ongoing maintenance.

General Government: Financial

City Clerk Ashley Scheibler presented the proposed Public Funds Banking Agreement between the City of Ellis and Equity Bank. Following discussion, Ms. Scheibler recommended Council approve the four-year agreement, effective August 1, 2026, through June 30, 2030, and continue investing a portion of the City's public funds through the Certificate of Deposit Account Registry Service (CDARS) program with Equity Bank. Council Member Dava Gaschler moved to approve the Public Funds Banking Agreement between the City of Ellis and Equity Bank for the term of August 1, 2026, through June 30, 2030, and authorize the City Clerk to execute the agreement on behalf of the City. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0. Council Member Dava Gaschler moved to authorize the City Clerk to invest \$500,000.00 in a six-month CDARS certificate of deposit with Equity Bank at an annual interest rate of 3.75%. Council Member John Walz seconded the motion. The motion carried 5-0.

NEW BUSINESS

General Government: Contracts

Michael Berges, Ellis County Commissioner, addressed Council regarding the proposed Ellis County EMS/Fire facility project in Ellis. Mr. Berges explained the project is in the early planning stages and no specific location or project cost has been determined. Mr. Berges stated Ellis County's assumption of countywide dispatch services has prompted the County Commission to evaluate the long-term needs of its emergency service facilities and develop a plan for future improvements. As part of those discussions, the County is considering issuing a \$10 million bond with a 10-year repayment term to help fund the project and reduce the immediate financial burden. During discussion, Council asked whether the proposed facility could include additional bays to house the City's Fire Department. Mr. Berges responded, at this time, including City Fire in the project is not being considered. Ellis County Administrator Darin Myer addressed concerns circulating within the community that Ellis would lose its County EMS facility, stating those rumors are inaccurate. Mr. Myer assured Council County EMS services will continue to be based in Ellis, although they may be relocated to a different facility. Mr. Myer also discussed the cooperative relationship between Ellis County and the City of Victoria for fire and emergency services. He explained the partnership has allowed Victoria to benefit from the use of County equipment and resources during fire and emergency responses. Mr. Myer noted, if the City of Ellis is interested, a similar collaborative arrangement with Ellis County could be explored in the future. Council then asked Mr. Myer to provide an update on the 10th Street Bridge project. Mr. Myer reported Ellis County submitted a BUILD Grant application approximately three weeks ago seeking \$10 million to assist with funding three bridge replacement projects throughout the county, including the 10th Street Bridge. Mr. Myer further stated, if the County is not awarded the grant, funding has already been identified to move forward with the 10th Street Bridge project. He advised the City of Ellis to plan budgeting for its share of the project costs to ensure the bridge replacement can proceed in accordance with Council's expectations.

General Government: Contracts

Ellen Riedel addressed Council in opposition to the proposed Ellis County EMS/Fire Facility project. Ms. Riedel informed Council she had collected approximately 300 signatures on a petition opposing construction of the proposed facility in Ellis. Ms. Riedel encouraged Ellis County to continue maintaining its existing County EMS/Fire facilities. She requested the County obtain additional cost estimates for the proposed project. She stated, based on information she had received from contacts in Oklahoma, similar facilities have been constructed at a significantly lower cost and expressed concern about the financial burden the proposed project could place on taxpayers.

General Government: Contracts

City Clerk Ashley Scheibler informed Council, as implementation of the Edmunds GovTech software continues, it was determined uAttend is unable to generate the payroll export files required for proper integration with the City's new accounting and payroll software. Based on

this limitation, Edmunds GovTech recommended the City rescind its previous approval of the month-to-month agreement with uAttend and instead enter into a month-to-month agreement with Lathem PayClock Online Enterprise to streamline payroll processing and ensure compatibility with the new system. Council Member John Walz moved to rescind the City's previous approval of the month-to-month agreement with uAttend for employee timekeeping software and authorize the City Clerk to enter into a month-to-month agreement with Lathem PayClock Online Enterprise. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Streets: Survey

City Clerk Ashley Scheibler presented Council with a draft public survey designed to gather input from Ellis residents and business owners regarding the reconstruction of Washington Street from the south end of the bridge to the four-way intersection at 10th Street. The survey will solicit public feedback on preferred roadway reconstruction options. Staff anticipates distributing the survey with the quarterly *Town Crier*, scheduled for release on September 1. The survey will be available both by mail and in a digital format to encourage public participation. Upon completion of the survey, the results will be compiled and presented to the Council for consideration in determining the preferred reconstruction option for the project. Council Member John Walz moved to authorize staff to distribute the Washington Street Improvement Survey via mail and online platforms to solicit public feedback and assist the City Council in evaluating future street repair options with the addition of images to represent the option descriptions. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

Street: Repair/Maintenance

Council Member Dava Gaschler moved to ratify the invoices from Ergon Asphalt and Emulsions in the total amount of \$19,368.61 for oil for the annual street maintenance project, with funds to come from the Capital Improvement – Street fund. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

Pool: Repair/Maintenance

Interim Public Works Director Jacob Scharzt presented a bid for recoating the Ellis Municipal Swimming Pool. Council Member Jolene Niernberger moved to approve the quote from Carrothers to recoat the Ellis Municipal Pool in the amount of \$39,500.00, with funds to come from the Capital Improvement - Pool fund. Council Member John Walz seconded the motion. The motion carried 5-0.

Parks: Equipment

Interim Public Works Director Jacob Scharzt presented a quote for the purchase of a new mower to support mowing operations at the City's campground, wastewater treatment plant, water well sites, and cemetery. Council Member John Walz moved to approve the quote from Gottschalk Equipment Sales for a HyperDrive 60RD mower in the amount of \$16,082.63, with funding to come from the Special Machinery Fund. The motion failed for lack of a second. Following discussion, Council noted the City's procurement policy requires a minimum of two bids for equipment purchases.

Sanitation: Repair/Maintenance

Interim Public Works Director Jacob Scharzt requested Council's guidance regarding whether the City should repair privately owned trash dumpsters used for residential/business refuse collection. City Attorney Olavee Raub advised that the issue involves two distinct situations. She explained, because the City requires residents who choose to use a dumpster instead of a polycart to provide their own refuse container, the City is not responsible for repairing damage resulting from normal wear and tear or exposure to the elements. However, if a privately owned dumpster is damaged by City personnel during the course of collection, the City should repair the damage at no cost to the property owner.

Public Works: Personnel

Council Member Dava Gaschler moved to ratify the previously approved hourly wage for the Interim Public Works Director, adjusting the rate from \$33.71 per hour to \$33.63 per hour, consistent with Line 31A of the Council-approved Wage Distribution Chart as of June 26, 2026. Council Member David McDaniel seconded the motion. The motion carried 5-0.

General Government: Financial

Council Member David McDaniel moved to approve Resolution No. 643 authorizing City employees to use the City credit cards. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Police: Acquisition

Police Chief Avery Smith presented a quote for the purchase of a new patrol vehicle. Following discussion, Council noted the City's procurement policy requires a minimum of two bids for equipment purchases and directed Chief Smith to obtain an additional quote and present both bids for consideration at the next regular Council meeting.

Police: Acquisition

Police Chief Avery Smith presented quotes for Firearms Equipment. Council Member John Walz moved to approve the quote from Loyal 9 Manufacturing in the amount of \$13,165.00 with funds to come from the Special Machinery fund. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Streets: Signs

Police Chief Avery Smith and Council Member John Walz compiled quotes for solar radar signs; each sign runs approximately \$3,000.00. After Council discussion, no further action was taken.

REPORTS FROM CITY OFFICIALS

Public Works

Interim Public Works Director Jake Schartz presented his department update.

Police

Police Chief Avery Smith presented the Mid-Month Incident Report for July and provided an update on departmental activities. Chief Smith announced the Police Department's annual school supply drive will begin soon, with all donated supplies to be divided equally between USD 388 and St. Mary's Catholic School. Additional information, including collection dates, will be announced at a later time.

City Clerk

City Clerk Ashley Scheibler presented the Ellis Lakeside Campground comment cards, the May and June financial statements, committee meeting minutes, and the June Health Savings Report, and provided an update on activities within the Clerk's Department. Ms. Scheibler updated Council on the Congregational Church roof repair project. City Attorney Olavee Raub advised the next step is to schedule a meeting with Roofmasters to discuss the roof conditions before proceeding with the installation of the gutter system. Ms. Scheibler also presented a summary of grant funding awarded to the City since February 2019. The report showed City projects have been funded through approximately 93.94% grant funding and 13.37% City funds, resulting in more than \$2.8 million in grant awards with approximately \$473,000 contributed by the City. She noted securing grant funding has enabled the City to complete significant infrastructure improvements while minimizing the financial impact on local taxpayers by planning for required matching funds over several years. Additionally, Ms. Scheibler reported, since the grant summary was prepared, the City has been awarded a Dane G. Hansen Foundation grant to assist with the Booster Pump Station project and a Historic Preservation Fund grant to support the designation of a historic district in downtown Ellis. Ms. Scheibler further informed Council, due to recent legislative changes, the City's dam has been placed on a scheduled rotation for Kansas Department of Agriculture Division of Water Resources Dam Safety inspections. The City's next inspection is anticipated to occur in 2029, with a more specific schedule to be provided as the date approaches. Lastly, Ms. Scheibler announced all

City staff would participate in the quarterly safety meeting on July 22 at 12:30 p.m., with the training focused on workplace stress awareness. To conclude her report, Ms. Scheibler requested Council's consent to allow the Ellis Municipal Pool to host a Night Swim event on August 8 from 6:00 p.m. to 9:00 p.m. Council expressed its consensus in support of the event.

Attorney

City Attorney Olavee Raub reported the court-appointed appraisers have completed their inspection of the property as part of the eminent domain proceedings. She advised the hearing will be held at the subject property and is anticipated to take place during the second week of August, although the date has not yet been finalized.

Mayor Update and Announcements

Mayor Martin LaBarge reported the City has received five applications for the Public Works Director position. Interviews are scheduled for July 28 and 29. Council Member David McDaniel provided a recap of the City's first Coffee and Donuts session, noting the event was well attended with approximately 30 participants. Topics discussed included County EMS/Fire discussion, street maintenance, the library mill levy, technology improvement expenditures, concerns regarding law enforcement, the positive impact of recent scooter regulations, the Trego County Well Line Project, grain dumping by the cooperative, council term limits, speed limits on Monroe Street, the possibility of hiring local youth to assist with summer mowing, the City's complaint and work order process, and the testing of water valves and fire hydrants. Following the Mayor's updates, Council Member David McDaniel informed Council the Governor's Appointed Water Task Force will be holding a meeting in Hays on July 29 from 9:00 a.m. to 12:00 p.m. at the Hilton Garden Inn. Council Member Kevin LaBarge asked Public Works about installing stop signs at 5th and Jefferson Street. There have been incidents at that corner in the past.

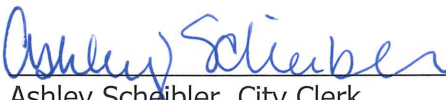

EXECUTIVE SESSION

ADJOURNMENT

Council Member Dava Gaschler moved, and Council Member John Walz seconded the motion to adjourn the meeting. The motion carried 5-0. The meeting adjourned at 9:08 p.m.

PUBLIC COMMENTS

Anita Kroger thanked Mayor Martin LaBarge for his assistance in enforcing a City ordinance and addressing a concern involving a neighboring property. Ms. Kroger stated, after reviewing the City Code, she observed that the Public Works Department handles large, rotting piles of grass. She noted a neighboring property has a similar pile that has developed an odor and attracted numerous flies. Ms. Kroger stated she had offered to purchase a grass cart for her neighbor but was unable to do so due to City policy. She asked what solutions may be available to address and rectify the situation.

Police Chief Avery Smith presented the Monthly Incident Report for July and provided an update on departmental activities. Council directed Chief Smith to obtain more valid quotes for radar signs to present at the next council meeting.

City Clerk

City Clerk Ashley Scheibler presented the Ellis Lakeside Campground comment cards and provided an update on activities within the City Clerk's Department. Ms. Scheibler also asked Council to consider establishing a consistent schedule for the quarterly Coffee and Donut Hour. Following discussion, it was the consensus of Council not to establish specific dates in advance due to scheduling conflicts and availability. Dates for each Coffee and Donut Hour will instead be determined closer to each event. Ms. Scheibler informed Council the City was recently contacted by KMIT regarding participation in its Post-Offer Employment Testing (POET) Program for new hires. Under the program, applicants would receive a conditional offer of employment contingent upon successfully completing a post-offer physical assessment. The assessment is designed to determine whether an applicant can safely perform the essential functions of the position as outlined in the applicable job description. The cost of the assessment is \$175 per new hire, with KMIT covering \$100 and the City of Ellis responsible for the remaining \$75. Council Member John Walz moved to approve the City's participation in the KMIT POET Program. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0. Ms. Scheibler also informed Council that Union Pacific Railroad had responded to

Council's request regarding an extension of the city's current lease. Their representative requested clarification as to whether Council would be interested in leasing additional property extending from Dorrance Street to the creek, in addition to the originally requested property extending from Memorial Park to Dorrance Street. Council requested Ms. Scheibler obtain cost comparisons for both sections of property. Upon review of the cost comparisons, Council will determine which section, or sections, it wishes to pursue.

Attorney

City Attorney Olavee Raub reported on the notice of the Appraisers' Hearing regarding the Trego Well Line Project easements. Ms. Raub also provided an update regarding repairs to the roof of the Congregational Church, noting she and Interim Public Works Director Jacob Schartz would meet with Roofmasters on Friday morning. Ms. Raub stated City Clerk Ashley Scheibler was welcome to attend the meeting as well. Lastly, Ms. Raub informed Council that questions had arisen regarding the lease for cellular equipment located on the City's water tower. Verizon has requested the City consider renewing the lease, as the current agreement is in its final renewal term. If Council wishes to negotiate a new lease, it will need to determine the desired lease amount. Ms. Raub also reported that Verizon is working to replace equipment on the water tower. Under the current agreement, Verizon is required to provide a structural analysis and construction drawings for the proposed work. Ms. Raub and Interim Public Works Director Jacob Schartz expressed that they did not feel comfortable reviewing the structural analysis and construction drawings without assistance from a qualified professional. Ms. Raub requested Council consider identifying an engineer or other qualified professional, potentially from the Hays area, to assist with reviewing the submitted construction drawings and structural analysis reports. Council provided their consent for her to negotiate with Verizon and begin proceeding with lease renewals.

Mayor LaBarge then asked to address Ms. Kroger's question raised during public comment. Ms. Raub stated the matter would fall under Section 8-201(g) of the City Code and the same process used for the previous vehicle incident would apply. She explained that a complaint from two or more citizens would be required before the matter could be referred for investigation.

Mayor Update and Announcements

Mayor LaBarge asked Council to consider appointing Britney Cox to the Ellis Library Board. Council Member David McDaniel moved to approve the appointment of Britney Cox to the Ellis Library Board. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

Council Member John Walz asked Mayor LaBarge to set up a fact-finding meeting with Darin Myers, Ellis County Administrator, to discuss in further detail the proposed Ellis County EMS/Fire station.

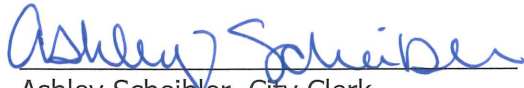

Council Member David McDaniel reported he attended his first Public Transportation Task Force meeting in Hays. The meeting included a discussion regarding ACCESS and recent funding reductions that have resulted in the elimination of Sunday routes. These reductions have left many individuals without transportation options for employment and other essential needs. ACCESS is currently facing an estimated \$102,000 funding shortfall and will be seeking assistance from local cities and counties. Mr. McDaniel also requested an update regarding the Chrysler House painting project. Ms. Scheibler stated no bids were received and, as a result, the project did not move forward. Staff will contact the previous bidders to obtain updated bids and ensure bids are available for consideration at the next Council meeting so the project can move forward. Mr. McDaniel also requested an update regarding the inventory process for the Congregational Church. It was noted the committee is expected to meet in mid-September or October to complete the inventory process.

EXECUTIVE SESSION
ADJOURNMENT

Council Member David McDaniel moved, and Council Member Dava Gaschler seconded the motion to adjourn the meeting. The motion carried 5-0. The meeting adjourned at 7:42 p.m.

PUBLIC COMMENTS

**PRESENTATIONS OF AWARDS, PROCLAMATIONS, REQUESTS & PETITIONS
(HEARINGS)**

SPECIAL ORDER

General Government: Grants

Shannon Praete with the Kansas Infrastructure Hub introduced herself to Council. She noted she has assisted the City with recent grant opportunities and looks forward to continuing to work with the City. Ms. Praete serves as a Grant Management Specialist with the Hub and provides Technical Assistance (TA) to communities throughout Northwest Kansas. In this role, she assists communities with identifying grant and funding opportunities, understanding federal and state infrastructure program requirements, navigating grant applications and pre-award preparation, managing post-award compliance and reporting, connecting communities with appropriate agencies and technical experts, and identifying potential funding sources for specific infrastructure needs.

Parks: Project

Pauleen Edmunds, President of the Community Foundation of Ellis, presented Council with a proposed design to replace the outdated playground equipment at South Side Kids Zone, located at 20th and Walnut Street. The proposed project is intended to create a more inclusive, accessible, and engaging playground for children of varying ages and abilities, including ADA-accessible features. Ms. Edmunds requested Council's consent to move forward with the proposed project. It was the consensus of Council to allow the Community Foundation of Ellis to continue working through the various phases of the project and proceed with plans to replace the outdated playground equipment. Ms. Edmunds also asked Council to consider donating to the playground improvements during this year's October Match Month, noting donations made during the campaign will receive a 2:1 match.

Tourism: Event

Glen Keller, representing the Tourism Committee, presented Council with a request for \$240.00 to host a luncheon for the Wichita Model A Club, which is scheduled to visit Ellis on September 26 to tour the Ellis Railroad Museum and the Walter P. Chrysler Boyhood Home. Council Member Dava Gaschler moved to approve the request in the amount of \$240.00, with funds to

come from the Tourism Fund. Council Member John Walz seconded the motion. The motion carried 5-0. Pauleen Edmunds, representing the Community Foundation of Ellis, then addressed Council and requested Council consider participating in the October Match Month campaign again to help support the replacement of wheels on the miniature train.

Cemetery: Repairs/Maintenance

John LaShell, President of the Cemetery Committee, addressed Council regarding issues surrounding trees at Mount Hope Cemetery. The Cemetery Committee recently met with representatives from K-State Research and Extension, who provided guidance regarding the condition of the existing trees and recommendations for future tree plantings at the cemetery. Mr. LaShell also asked Council to consider amending the committee's requirements to allow a current Council Member to serve on the committee.

Fire Department: Report

Fire Chief Dustin Vine submitted his monthly report for review.

UNFINISHED BUSINESS

Museums: Repairs/Maintenance

Council reviewed bids for repairs to the building located behind the Chrysler Home. Council Member John Walz moved to approve the bid from Lyndell Rorabaugh in the amount of \$5,800.00 for repairs to the building behind the Chrysler Home, with funds to come from the Capital Improvement Special Projects fund. Council Member David McDaniel seconded the motion. The motion carried 5-0.

General Government: Repairs/Maintenance

City Attorney Olavee Raub disclosed the findings from the meeting held with Dustin Pfeifer of Roofmasters Roofing regarding previously observed deficiencies associated with the congregational church roof. Ms. Raub explained that the roof deficiencies would be corrected accordingly; however, two additional items needed to be addressed. First, an existing exhaust pipe must be relocated, as it is currently impeding the installation of guttering. Second, Council will need to select a gutter color for installation on the roof. Council Member John Walz moved to authorize Public Works to obtain bids from a licensed plumber for the relocation of the existing exhaust pipe. Council Member Dava Gaschler seconded the motion. The motion carried 5-0. Following the motion, Council discussed whether the gutter color should accent the shakes or harmonize with the limestone rock, similar to the color currently installed. City Clerk Ashley Scheibler stated physical samples are available for review in the Clerk's Office. Council Members may review the samples and prepare to make a final selection at the next Council meeting. No further action was taken.

Streets: Signs

Police Chief Avery Smith provided Council with updated quotes for radar signs. Council Member Dava Gaschler moved to approve the quote from EpicStar LED LLC in the amount of 3,635.00 with funds to come from the Capital Improvement Special Project fund. Council Member David McDaniel seconded the motion. The motion carried 5-0.

NEW BUSINESS

General Government: Grant

City Clerk Ashley Scheibler informed Council that the City has been awarded a Grant Administrative Program Grant to assist with contracting with a grant administration company to help navigate and administer the awarded Cybersecurity Grant. Ms. Scheibler requested Council approval to solicit bids for grant administration services. Council Member John Walz moved to authorize City staff to solicit bids for grant administrative assistance in support of the Cybersecurity Grant. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

Streets: Grant

City Clerk Ashley Scheibler informed Council that the City is ready to solicit bids for the construction phase of the 2nd Street Improvement Project. Ms. Scheibler requested Council approval to proceed with the bidding process. Council Member Dava Gaschler moved to

authorize City staff to solicit bids for the construction phase of the 2nd Street Improvement Project. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

General Government: Committee

Council Member John Walz moved to designate Council Member David McDaniel as the voting delegate and Council Member Jolene Niernberger as the alternate voting delegate at the League of Kansas Municipalities Annual Conference in October. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Water: License/Permit

Keith Pfannenstiel, on behalf of the Ellis Jr. Free Fair, 801 Cottonwood, has applied for a permit to drill a private water well on their property. Council Member John Walz moved to approve the Application for a Permit to Drill a Private Water Well from Keith Pfannenstiel on behalf of the Ellis Jr. Free Fair at the Ellis Fairgrounds located at 801 Cottonwood. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Parks: Repair/Maintenance

City Clerk Ashley Scheibler presented two quotes for Engineered Wood Fiber mulch to be installed at the newly completed Ellis Lakeside Playground. It was noted that the playground area has experienced patches of grass and weed growth. Due to the specific mulch requirements for the playground, the City did not have the required material on hand. Council discussed the need to explore preventative maintenance options to address the existing grass and weed growth and help prevent it from reappearing before applying an additional layer of mulch. Public Works and Ms. Scheibler will research available options and present their findings at the next Council meeting.

Sewer: Repair/Maintenance

City Clerk Ashley Scheibler and City Attorney Olavee Raub informed Council that the newly acquired sewer plant blower failed mid-June and required immediate replacement to prevent further issues at the Wastewater Treatment Plant. As the replacement was necessary prior to Council approval, ratification of the purchase was required. City staff are currently working with Aerzen to determine the warranty coverage associated with the faulty blower. Council Member David McDaniel moved to ratify the purchase of a sewer plant blower from Aerzen in the amount of \$15,729.76, plus freight, with funds to come from the Sewer Depreciation Reserve Fund. Council Member Jolene Niernberger seconded the motion. The motion carried 5-0.

Cemetery: Contract

Interim Public Works Director Jacob Scharzt asked Council to consider adjusting the grave opening and closing rates for St. John Cemetery due to the increasing costs associated with materials, labor, and time. Mr. Scharzt stated, on average, three Public Works employees are required to complete the work, utilizing a backhoe, dump truck, and jackhammer. He further noted that the backhoe requires approximately 30 minutes of travel time each way to the cemetery. Council inquired about the current rates and directed City Clerk Ashley Scheibler to prepare a fee schedule outlining the existing rates for Council's review and consideration at the next Council meeting.

REPORTS FROM CITY OFFICIALS

Public Works

Interim Public Works Director Jacob Scharzt presented his department update and informed Council that Curt Deines, Superintendent of Planning and Development for the City of Hays, has agreed to assist the City of Ellis with building inspections. Mr. Deines stated a minimum charge of \$150 for two hours would be assessed to the City for each trip to Ellis. Mr. Scharzt noted coordinating and scheduling multiple inspections during each visit would be beneficial, as it could help reduce the inspection costs passed on to residents. Council Member Dava Gaschler moved to authorize Public Works to contract with Curt Deines at a minimum rate of \$150 per two hours for building inspection services. Council Member Kevin LaBarge seconded the motion. The motion carried 5-0.

Police

Police Chief Avery Smith presented the Mid-Month Incident Report for August and provided an update on departmental activities.

City Clerk

City Clerk Ashley Scheibler presented the Ellis Lakeside Campground comment cards and committee minutes and provided an update on activities within the City Clerk's Department. Ms. Scheibler reported that the night swim event held August 8 was very successful, with 237 patrons attending throughout the day. She expressed interest in continuing to offer additional night swim sessions during the next season. Ms. Scheibler also requested Council's consensus to apply for the 2027 IIMC Conference Scholarship, which would provide an opportunity for her continued professional growth and development in the municipal clerk profession. She noted her attendance at the conference would be contingent upon receiving the scholarship. Council provided consensus for Ms. Scheibler to apply for the scholarship.

Attorney

Mayor Update and Announcements

Mayor LaBarge asked Council to consider appointing Tammy Wolf to the Spruce Villa Housing Authority Board. Council Member John Walz moved to approve the appointment of Tammy Wolf to the Spruce Villa Housing Authority Board. Council Member Dava Gaschler seconded the motion. The motion carried 5-0.

Following the appointment, Mayor LaBarge moved into discussion regarding Mount Hope Cemetery, referencing recent conversations with the Cemetery Committee concerning the authority to remove trees within the cemetery. City Attorney Olavee Raub confirmed that the Public Works Director and Mayor have the discretion to remove trees that interfere with or prevent the development of future burial plots when immediate attention is required. All other tree removal requests or maintenance changes must be brought before the governing body for consideration and approval.

Mayor LaBarge then provided an update regarding the meeting held with Ellis County Administrator Darin Myer concerning the Ellis County EMS/Fire Building. Mr. LaBarge stated Mr. Myer plans to attend a Council meeting in September to continue discussions regarding the project.

Lastly, Mayor LaBarge directed City Attorney Olavee Raub to draft a proposed Code of Conduct for the Ellis Lakeside Campground. Council had previously requested that the Campground Committee develop a Code of Conduct between October 2025 and February 2026; however, no proposed code has been presented. Mayor LaBarge noted that the campground has recently experienced several situations in which a dedicated Code of Conduct would be beneficial in clearly establishing and enforcing campground rules and regulations. Ms. Raub will provide a draft for review at the next council meeting.

PRESENTATIONS OF AWARDS, PROCLAMATIONS, REQUESTS & PETITIONS (HEARINGS)

SPECIAL ORDER

General Government: Election Candidate

Mark Schaukowitch, 110th District Representative, spoke about his campaign and provided council with what is most important to him for smaller municipalities in rural Kansas.

General Government: New Homes

Kent Miracle, Prime Craftsman Homes, spoke to council regarding his company and the possibilities of manufactured homes within the City of Ellis. Mr. Miracle invited council and residents of Ellis to Wichita to tour their showroom and factory.

Campground: Event Request

Diana Staab, representative for the Girl Scouts, presented a request regarding the Girl Scouts Junior 3 Part Campout scheduled for October 3. Ms. Staab requested that the camping fee be waived for the event. The area requested by Ms. Staab is owned by the Ellis Railroad Museum; therefore, Council was unable to approve the use of that specific area for camping. Council Member Dava Gaschler moved to waive the camping fee for the Girl Scouts once an agreement was reached regarding an available camping location. Council Member Kevin LaBarge seconded the motion. The motion carried 6-0.

UNFINISHED BUSINESS

Museums: Repairs/Maintenance

Council reviewed paint samples provided by Roofmaster Roofing for the guttering at the Congregational Church. Council Member John Walz moved to approve the gutter color of Rafia Beige. Council Member Jolene Niernberger seconded the motion. The motion carried 6-0.

Campground: Contracts

Chief Avery Smith presented the Draft Code of Conduct for Ellis Lakeside Campground. Council directed Chief Smith to take it back to the Campground Committee for review and revisions

based on council discussions.

Campground: Repairs /Maintenance

Public Works Director Sebastian Footh informed Council he would be spraying Roundup on weeds inside the campground playground area. Council Member David McDaniel asked for a sign to be displayed when spraying to keep visitors out of the area. Council directed Sebastian to acquire quotes for additional mulch to present at the next council meeting.

Cemetery: Fee Schedule

Public Works Director Sebastian Footh informed Council of the fees that are associated with grave openings and closings. Mr. Footh asked Council to consider adjusting the fee schedule for St. Johns Cemetery. Council directed Mr. Footh to come with an estimate of cost for employees to dig and cover graves at St. Johns Cemetery and present at the next council meeting for further discussion.

NEW BUSINESS

General Government: Financial

Clerk Danielle Schaus informed Council of the need to increase the city credit card limit for the shared balance between departments. Ms. Schaus stated multiple times a year she will need to make double payments or prepay on the city credit card statement because of the low credit limit. Ms. Schaus asked Council to consider increasing the city credit card limit to \$10,000. Council Member John Walz moved to authorize City Staff to contact Equity Bank to request an increase to the City's credit card limit to \$10,000 and to authorize Mayor LaBarge and City Clerk Ashley Scheibler to execute any documents necessary to complete the request. Council Member David McDaniel seconded the motion. The motion carried 6-0.

Police: Uniforms

Police Chief Avery Smith reviewed a quote from Baysinger's Uniforms & Equipment for new body armor for their department employees. Mr. Smith advised Council that three of them have expired, which requires replacement. Council Member Devin Henderson moved to approve the quote from Baysinger's Uniforms and Equipment, in the amount of \$4,554.00, with funds to come from the Special Machinery fund. Council Member Jolene Niernberger seconded the motion. The motion carried 6-0.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Director Sebastian Footh presented his department update. Mr. Footh informed Council that Luke Karlin would be visiting the Congregational Church in the coming weeks to inspect the flat roof and provide recommendations regarding the necessary repairs.

Police

Police Chief Avery Smith presented the Monthly Incident Report for August and provided an update on departmental activities.

City Clerk

Clerk Danielle Schaus presented the Ellis Lakeside Campground comment cards and provided an update on activities within the City Clerk's Department. Ms. Schaus discussed the possibility of entering into a contract with Tim Moore, a volunteer assisting with the City's TNR Program. Council directed City Attorney Olavee Raub to draft a contract for consideration at the next Council meeting. Ms. Schaus also informed Council that the Budget and Revenue Neutral Rate (RNR) Hearing would be held on September 11 at 7:30 p.m.

PUBLIC PRESENT

Jami Benyshek, Gary Weigel, Clarene Weigel and Shirley Tieperman.

PURPOSE OF SPECIAL MEETING

Mayor Martin LaBarge stated the purpose of holding a Revenue Neutral Rate Hearing, considering a resolution to exceed the Revenue Neutral Rate, a 2027 Budget Hearing, and consideration of adoption of the Budget Document at City Hall.

PUBLIC HEARING – REVENUE NEUTRAL RATE

General Government: Financial

Mayor Martin LaBarge requested a motion to open the public hearing to discuss the Revenue Neutral Rate. Council member David McDaniel moved to open the Revenue Neutral Rate hearing. Council member Devin Henderson seconded the motion. The motion carried 5-0.

Council member Dava Gaschler was absent. The public hearing opened at 5:31 p.m.

City Clerk Ashley Scheibler stated the Revenue Neutral Rate hearing is required under K.S.A. 79-2988. The City plans to adopt a budget in excess of the Revenue Neutral Rate, but maintain the same mill levy as the 2026 proposed budget.

Shirley Tieperman discussed the significant increase in property tax values. Council informed Ms. Tieperman that property values are determined by the Ellis County Appraiser.

Gary Weigel discussed difficulties he experienced in obtaining Kansas property tax relief for seniors. Council encouraged Mr. Weigel to continue advocating for senior property tax relief and to voice his concerns at the county and state levels.

There being no further comments, Mayor LaBarge asked for a motion to close the public hearing. Council member David McDaniel moved, and Council member Devin Henderson seconded a motion to close the Revenue Neutral Rate hearing. The motion carried 5-0. The public hearing closed at 5:45 p.m.

General Government: Financial

Council member John Walz moved to approve Resolution No. 645 authorizing the City of Ellis to levy a property tax exceeding the Revenue Neutral Rate. Council member Jolene Niernberger seconded the motion. A roll call vote was taken with Council members Kevin LaBarge, Devin Henderson, Jolene Niernberger, John Walz, and David McDaniel all voting in favor of the motion.

PUBLIC HEARING – 2027 BUDGET DOCUMENT

General Government: Financial

Mayor Martin LaBarge then requested a motion to open the public hearing to discuss the 2027 budget document. Council member Devin Henderson moved to open the 2027 budget hearing. Council member Kevin LaBarge seconded the motion. The motion carried 5-0. The public hearing opened at 5:47 p.m.

City Clerk Ashley Scheibler stated the proposed budget has been published for the required

amount of time and that tonight is an opportunity for the citizens of Ellis to comment on the proposed budget for 2027.

There being no comments, Mayor Martin LaBarge asked for a motion to close the public hearing. Council member David McDaneil moved, and Council member Devin Henderson seconded a motion to close the 2027 budget hearing. The motion carried 5-0. The public hearing closed at 5:52 p.m.

General Government: Financial

Council member John Walz moved to approve the 2027 City of Ellis budget document as presented. Council member Jolene Niernberger seconded the motion. The motion carried 5-0.

PRESENTATIONS OF AWARDS, PROCLAMATIONS, REQUESTS & PETITIONS (HEARINGS)

Public Hearing – Proposed KDHE Loan Submission

Water: Loan

Mayor Martin LaBarge requested a motion to open the public hearing to discuss the proposed KDHE Loan Application in support of the Booster Pump Station project. Council Member David McDaniel moved to open the public hearing. Council Member Dava Gaschler seconded the motion. The motion carried 6-0. The public hearing opened at 6:32 p.m.

Corina Cox of Wilson and Company, Inc., summarized the KDHE Loan Application process and informed Council the City of Ellis intends to apply for KDHE loan funding in the amount of \$1,121,700 to assist with financing the Booster Pump Station Project. Forty percent of the loan amount is eligible for forgiveness, provided all applicable requirements are met. Ms. Cox stated the anticipated funding timeline is January 2027, at which time the City will receive the necessary documentation and additional information regarding the award. She noted one item requiring attention prior to the anticipated KDHE award notification is the City's Water Conservation Plan.

City Clerk Ashley Scheibler will work with the Kansas Water Resources Authority (KWRA) and the Kansas Water Office (KWO) to update the City's Water Conservation Plan in preparation for the anticipated January award announcement.

There being no comments from the public, Mayor Martin LaBarge asked for a motion to close the public hearing. Council Member Devin Henderson moved, and Council Member Jolene Niernberger seconded a motion to close the public hearing. The motion carried 6-0. The public hearing closed at 6:40 p.m.

Water: Financial

Council Member John Walz moved to approve Resolution No. 646 Authorizing the Completion of an application to the Kansas Department of Health and Environment regarding a loan from the

Kansas Public Water Supply Loan Fund. Council Member David McDaniel seconded the motion. A roll call vote was taken with Council Members Kevin LaBarge, Dava Gaschler, David McDaniel, Devin Henderson, Jolene Niernberger, and John Walz all voting in favor of the motion. The motion carried 6-0.

Water: Contract

Council Member David McDaniel moved to approve the Contract with Wilson and Company Inc. for Administration in the amount of \$8,500, with funds to come from the Water Depreciation Reserve fund, and to authorize the Mayor to sign all respective documents. Council Member Dava Gaschler seconded the motion. The motion carried 6-0.

SPECIAL ORDER

General Government: Election Candidate

Ken Rahjes, 110th District Representative, discussed his campaign and shared with Council issues he considers most important to smaller municipalities and rural communities across Kansas.

Fire Department: Report

Fire Chief Dustin Vine submitted his monthly report for review.

UNFINISHED BUSINESS

General Government: Contract

City Attorney Olavee Raub presented a draft of the proposed Trap-Neuter-Return (TNR) contract for Council's consideration. Council Member John Walz moved to approve the TNR Contract with Mr. Tim Moore at a rate of \$20 per day. Council Member Dava Gaschler seconded the motion. The motion carried 6-0.

Cemetery: Fees

Public Works Director Sebastian Footh presented a cost estimate sheet regarding the City's expenses associated with providing grave opening and closing services for St. Johns Cemetery. Council reviewed the information and directed Mr. Footh to develop specific, current costs of service for designated grave opening and closing services. The updated cost information will allow the City to review and adjust applicable fees as necessary to more accurately reflect current labor, equipment, materials, and other operating expenses associated with providing these services. Updated rates will be presented to Council for further consideration at the next meeting.

Museums: Repairs/Maintenance

City Clerk Ashley Scheibler informed Council additional approval is necessary because some of the existing siding boards on the Chrysler Boyhood Home Museum required replacement during the painting project. Council Member David McDaniel moved to approve an invoice from Lyndell Rorabaugh, in the amount of \$50, for the replacement of siding on the Chrysler Boyhood Home Museum, with funds to come from the Capital Improvement Special Projects Fund. Council Member Dava Gaschler seconded the motion. The motion carried 6-0.

NEW BUSINESS

Streets: Contract

Doug Goetz of Wilson & Company, Inc. informed Council that the City entered into a KDOT Cost Share Agreement, which authorized Wilson & Company to obtain KDOT approval for the City to proceed with the construction bidding process. Mr. Goetz explained, pursuant to the KDOT Cost Share Agreement, the project must be awarded to the lowest responsive and responsible bidder. Following completion of the bidding process with a targeted start date of early March 2027, Wilson & Company prepared a bid tabulation for Council's review. The bid tabulation identified Morgan Brothers Construction of LaCrosse, Kansas, as the lowest responsive and responsible bidder. Morgan Brothers Construction is currently completing a walking trail project for the City of Hays and is KDOT-pre-certified. Council Member Jolene Niernberger moved to accept the bid from Morgan Brothers Construction in the amount of \$469,049.68, contingent upon KDOT concurrence, and authorize the Mayor and City Staff to execute any required documents. Council Member Devin Henderson seconded the motion. The motion carried 6-0.

General Government: New Homes

Council discussed next steps for potentially bringing Prime Craftsman Homes (PCH) to Ellis as early as January 2027 to showcase its homes and discuss opportunities for affordable housing development within the community. Mayor LaBarge noted Council members attending the League Annual Conference in Wichita will have an opportunity to tour PCH's facility and view examples of its homes and other facilities. Council Member Dava Gaschler emphasized the importance of thoroughly vetting the company, including reviewing the quality, reputation, and reliability of its homes and services. David Clingan of Grow Hays emphasized the importance of maintaining momentum with PCH to explore opportunities for bringing affordable housing to Ellis. He noted availability of affordable homes could help attract new residents to the community and provide additional housing options for individuals and families already residing in Ellis. PCH has indicated they are willing to absorb a significant portion of the project costs and is committed to maintaining an affordable housing goal for the community. Council discussed continuing to evaluate the opportunity while ensuring the company, housing products, costs, and proposed arrangements are thoroughly reviewed before moving forward. Council Member Jolene Niernberger stated she would also like the proposed project to be presented to the Planning Commission for its review, input, and consideration. No further action was taken.

Water: Repairs/Maintenance

Public Works Director Sebastian Footh presented Council with two bids for the replacement of a failed water pump at the Water Treatment Plant. Council Member John Walz moved to approve the quote from Standard Drilling and Water Well Service, LLC, in the amount of \$3,200, with funds to come from the Water Depreciation Reserve Fund. Council Member Jolene Niernberger seconded the motion. The motion carried 6-0.

General Government: Policy

City Clerk Ashley Scheibler informed Council, due to the City's transition to new accounting and payroll software, the system will no longer calculate additional accrued sick leave based on an accrual date of the first day of each month. Instead, sick leave will need to be accrued during the first pay period of each month. This change requires an addendum to the City's Personnel Policy to reflect the revised accrual method. Council Member John Walz moved to approve the Personnel Policy Addendum as presented. Council Member Devin Henderson seconded the motion. The motion carried 6-0.

REPORTS FROM CITY OFFICIALS

Public Works

Public Works Director Sebastian Footh presented his departmental update to Council.
